

## What Is Driving Women to Drug Use and How You Can Help: Psychology and Behavioral Sciences of Addiction (Paperback)

By Richard Corker-Caulker, Dr Richard Corker-Caulker PhD  
Eddcp

WestBow Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What Is Driving Women to Drug Use is about pretreatment relapse triggers among women addicted to street drugs, prescription drugs, and alcohol. Women are affected by different pretreatment relapse triggers, contributing to repeated relapse. Dr. Richard Corker-Caulker provides insight for personal understanding into why women relapse and what you can do to help. Dr. Corker-Caulker describes women's pretreatment relapse triggers, as well as how to assess the triggers, identify, analyze, and take appropriate response to help through a qualitative therapy approach that he developed. This guide is a very useful tool to help respond to any person or love ones with addiction problems. Therapists, psychologists, doctors, drug courts, colleges, clinics, policy makers, and program managers working with addiction clients can learn how to focus treatment on pretreatment relapse triggers to prevent repeated relapse. Pretreatment relapse triggers using qualitative therapy approach for assessment, analysis, and planning intervention is a new direction in addiction treatment.

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*

-- Andres Bashirian

*Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.*

-- Lacy Goldner
