B-276406 management reasoned that because engineers and program managers on the manufacturing floors are concerned with meeting technical and schedule accomplishment, recording earned value information at that level DOD is more informative in terms of labor hours than in terms of dollars. 2 officials believe that the criteria and basic guidance allow defense CS programs the flexibility to manage earned value information in a similar manner, but in practice, this flexibility has been limited by over implementation of the guidance. 2 Despite s acknowledgement of implementation problems, until DOD CS Some Early Reforms recently, little progress has been made in resolving them. Fundamentally, 2 Have Made Limited CS this is because the data was responsive to the financial management 2 process was implemented. Most of CS community that managed how the Impact the reforms that have been undertaken have made improvements, but have 2 CS not alleviated the more significant problems with. The integrated baseline review, however, may prove to be an exception because it has 2 resulted in a marked...
