THE ERROR OF ARISTOTLE (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Aristotle divided the universe into incremental layers of distance heading outward from a center. As such humankind became confined to the limits of a system. We are an amazing species. Confining humanity to the restrictions of a closed space does something to humanity s psyche. It does not matter if the confines are physical or abstract, the results are the same. Confinement generates an overpowering need to escape , to once again breath the air of expansiveness, to breath the air of freedom, to breath the air of the open spaces , to journey unimpeded. The closure of the system was not necessarily a negative development. Aristotle moved humanity in the direction of understanding our universe as a physical entity. Aristotle s perceptions allowed science to evolve as just that, science. The development of science provided the means by which we could understand what lies within the system . Our problem as a species, however, does not exist with understanding what lies inside Aristotle s system but rather understanding what lies outside Aristotle s system. Multiple philosophical paradoxes emerged through our decision to diminish the significance of the abstract. Ethical issues developed through our decision to disregard the interrelationship between the abstract and the physical, between seamlessness and multiplicity. Aristotle s system leads us to the perception that the whole is the universe and the universe is the whole . Aristotle s system leads to the philosophical perception that God is dead , metaphysics is dead, and philosophy reached its end with the development of the Hegelian non-Cartesian system . It may have taken thousands of years, but philosophy, through Aristotle s system reached the same point science...
