CONSPIRACY OR FAITH: PART 1, BOOK 2 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Conspiracy or Faith, is something that has troubled me for the past 30 years, I have wondered often, what it meant to be in faith, I have watched many things happen for others, that seemed like a slammed door in my face, I watched a full church of people one night be healed, and all of them tossed their medications in the trash, when I did likewise, I nearly died, Conspiracy or faith, even now, is a great mystery, however, through study of the word of God, the applications to my life that I am now finding, Yes, things are changing for my life for the better. You will never know the truth, unless you are seeking the truth, what I am finding out is that, Too many Churches, teach the values of the conspiracy over the values of faith, then when the people hear about the values of faith, they get angry, call the teacher a liar, and other cold hearted names. But if the truth is told, and I am one of the many that is going to tell it, you should want the truth over the lie, I saw in a movie once, where the man punched another man two times, first time was for hurting his feelings, the second one was because he stood on the values of the truth, which was what hurt his feelings, needless to say, the truth hurts. Conspiracy or Faith, is a writing that attacks the values of where we need to be standing in our lives, John 10:10 talks about it very clearly, and in this book, this verse is talked about a lot, why,...
