This could be your lucky day. Upon entering the casino, you will be filled with excitement as you hear voices yelling from just winning, but try to remain calm and think about how and what you want to spend your money on before jumping in and not giving enough thought to your choices. The casino can be very overwhelming, especially for the very first time. The noise of the slot machines, the lights, all the table games, and people shouting from the excitement of winning can make your mind race, as you ask yourself, What do I want to do first? In *The Casino through a Dealer's Eyes*, author Connie Allen provides an in-depth look at the world of casinos from the eyes of a dealer. With her expert knowledge of everything from money management to table game techniques to the best way to spend your time, Allen's guide to finding success in the casino is something new players and old pros will benefit from. If you're tired of walking away from table games without success or if you're wondering what mistakes the dealers see over and over again and shake their heads over, then this is the book for you. With instructions on how to play the most popular games and advice on the pitfalls to avoid, you'll be armed with the information to make better choices, no matter your game of choice, and you'll walk away a winner much more often.
