Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you noticed on the cover, the goal is in sight, but you cannot see it completely. So it is with people s goals that they are trying to accomplish. We must use formal education, life experiences, resources, healthy relationships and personal responsibility, if we are to reach our goals. Most people wonder why money was not mentioned. Capital is needed, but it cannot stop you from setting a plan. In talking with Patrick Steele an Insurance agent on this very subject: we began to discuss Baby Boomers, and how we have failed to plan effectively. We talked about the fact that we live with our hands on our heads, trying to figure out what we are going to do next. Many people live here. I asked random people what would reaching their GOALS and receiving their GOLD look like? The honest answers that I received mirror society as a whole. * Mike H. stated: I used to want to be rich. That never happened so I settled for retirement. * Kristie T. stated: Success scares me. My conscious gets in the way of what other people sees and I will settle for silver or bronze. * Stacy stated: I will have quit smoking or at least cut back using the patch. * Mike stated: I will be with my kids. I will have a reasonable amount of success. I do not have to be rich, and I will always be moving forward! *Rebecca stated: I have my education already, now I need a better salary. Then I will celebrate! *Heather stated: I will be in my own place and raise my daughter better than I...
