Brand New Book ***** Print on Demand *****.The men who govern India-more power to them and her!-are few. Those who stand in their way and pretend to help them with a flood of words are a host. And from the host goes up an endless cry that India is the home of thugs, and of three hundred million hungry ones. The men who know and Athelstan King might claim to know a little-answer that she is the original home of chivalry and the modern mistress of as many decent, gallant, native gentlemen as ever graced a page of history.
