One of England s great poets and painters, William Blake (1757-1827) produced powerful, expressive works of art. For this unique stained glass colouring book, Marty Noble has adapted details from sixteen of the artist s finest paintings; among them illustrations from his own popular poems, his interpretations of Bible stories, and other literary works. Admirers of Blake and colouring book devotees will enjoy applying their own hues to sixteen unusual examples of Blake s art, or they can attempt to recreate Blake s hand-tinted watercolours. Placing the finished drawings in a brightly lit window or near another source of light will produce amazing, illuminated effects.
