Zen Publications, Mumbai, 2009. Soft cover. Book Condition: New. 23 cms. 316pp. Whether your life is running smoothly or you are in the midst of major changes-this book is for you. The deep understanding of human nature, the warmth and compassion of the author, Francis J. Padinjarekara, shine out from every page and every story he tells. These stories are challenging. Intriguing, amusing and transforming. They show a path towards personal growth and self-realisation without judgments or do's and don'ts. Those who are familiar with the stories and writings of ANTHONY DE MELLO, will recognize in these pages, a depth wisdom and lightness that make THIS BOOK a continuation of his INSPIRATIONAL teachings. This could be a thoughtful gift for friends and a valuable beside companion. One of the visitors asked: How is it, that in the same circumstances of life, some people live a constricted existence limited mostly to their work and family, while others enjoy far richer lives. Birds soar high and far in freedom as their wings make it possible, the sage replied Life shrinks or expands in proportion to ones awareness.
