

The Wandering Earth: Classic Science Fiction Collection

By Cixin Liu

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 484 pages. Dimensions: 9.0in. x 5.9in. x 1.0in. The Wandering Earth is a collection of short stories by Cixin Liu, China's most acclaimed contemporary science-fiction author. Unabashedly classic in the great tradition of Asimov and Clarke, Cixin Liu's science-fiction is firmly rooted in the cosmic. Most literature has always left me with the impression of indulging an intense anthropocentric narcissism. In the world of literature, the Sun exists for no other reason than to illuminate the pure, unadulterated countryside, the Moon has no other reason to shine than to cast the shadows of the seaside lovers, but if the universe is the Sahara, then all that makes the Earth a grain of gold within it, is that a particular bacteria called humanity clinging to its surface. Cixin Liu uses the unique perspective of science-fiction to take us on a journey into this majestic, desolate cosmos. He gives us the chance to reacquaint ourselves with the fundamental truth that in the face of a vast universe we are no more than a speck of dust; That the Earth is just another celestial body And an extremely vulnerable...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
