Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.There are preconceived notions about everything in life. A woman who lives on the streets and wears short skirts in public must be a sinner. A woman who attends church every week must be a saint. However, everything is not always as it seems. In fact, it rarely is. Police chief s daughter, Danielle Beckett, grew up knowing two things. One: anything worth having was worth hiding from her father, and two: she wanted to be the best at what she did. Her business, Sinners Saints Modeling Agency, does well for itself but what happens behind the scenes does better. As an exclusive high priced call girl she has everything she wants while keeping everyone in the dark. Life is great until her employees start being picked off one by one. Danielle starts missing days and everything falls apart. As her life unravels around her, she is forced to not only choose between her safety and her business, but between her business and the one thing she never saw herself wanting. How can she keep her business and herself alive, when she knows one story, but the police know another? **Warning: If you re looking for something to leave you feeling warm and fuzzy, this is not the book for you. The worst thing you can do going into this book, is go in thinking you know how it s going to end. This book is intended ONLY for those over the age of eighteen.
