Brand New Book ***** Print on Demand *****.We know too much to believe, too much of science and suffering, genes and genocides, DNA and disasters. Old answers and even old questions seem irrelevant. But still we want to understand, though understand we know not what. The time has come again, that ancient time of wrenching change. As Aztec gods burned at the hands of the Spanish, as telescopes and microscopes unmasked the facades of myth and magic, again our gods fall.
