Satan struggled and wrestled with him, shouting the most horrible cursing and obscenities that were ever emitted in heaven. These evil sounds would never be heard again in the heavenly realm. Satan s face was no longer beautiful, but contorted with rage and fear. His eyes bulged from his head as Michael s arm encircled his throat. The battle was fought for what seemed like an eternity, with neither one having a clear victory. In The Memoirs of an Angel we travel throughout Biblical history and see major events through the eyes of Desmond, an angel who is writing his memoirs. But Desmond records what transpired around these events where the Bible remains silent. Go with Elijah as he faced the priests of Baal alone. Travel with the wise men on their dangerous journey following the star. Sneak out of Bethlehem with Joseph and Mary as they flee to Egypt. The book is alive with adventure and danger as Desmond struggles with helping humans cope with super-human events.
