## My Dance with Grace: Reflections on Death and Life

By Weldon Bradshaw

Brandylane Publishers, Inc. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 8.4in. x 5.4in. x 0.4in. Late in 2009, Weldon Bradshaw was diagnosed with primary sclerosing cholangitis, an incurable, autoimmune liver condition. Over the next two and a half years, as the disease progressed slowly and his liver and health deteriorated, his prognosis grew bleak. By November of 2012, his doctor informed him that if he didn't receive a transplant, he'd be dead within the week. Through it all, Weldon remained steadfast to the promise he'd made his family at the outset of his illness: he would be there to dance at his granddaughters wedding. A high school cross country coach and lifelong athlete, Weldon was accustomed to tests of endurance, spirit, and drive. But nothing could have prepared him for this—the race of his life. It would be a race against time and chance and hopelessness in the face of devastating odds. It would be a race for a miracle. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

-- **Beverly Hoppe**

*Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.*

-- **Adela Schroeder II**
