### ***Reviews***

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

## THE HOUSE OF THE SEVEN GABLES (NORTON CRITICAL EDITIONS)

W. W. Norton & Company, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This all-new edition of Hawthorne's celebrated 1851 novel is based on The Ohio State University Press's Centenary Edition of the Works of Nathaniel Hawthorne. It is accompanied by thorough explanatory annotations and an insightful introduction to the novel and antebellum culture by Robert S. Levine. "Contexts" brings together a generous selection of primary materials intended to provide readers with background on the novel's central themes. Historical documents include accounts of Salem's history by Thomas Maule, Robert Calef, Joseph B. Felt, and Charles W. Upham, which Hawthorne drew on for *The House of the Seven Gables*. The importance of the house in antebellum America--as a manifestation of the body, a site of genealogical history, and a symbol of the republic's middle class--is explored through the diverse writings of William Andrus Alcott, Edgar Allan Poe, and J. H. Agnew, among others. The impact of technological developments on the novel, especially of daguerreotypy, is considered through the writings of Ralph Waldo Emerson, Gustave de Beaumont, and Alexis de Tocqueville, among others. Also included are two of Hawthorne's literary sketches--"Alice Doane's Appeal" and "The Old Apple Dealer"--that demonstrate the continuity of Hawthorne's style, from his earlier periodical writing to his later career as a novelist. "Criticism" provides a comprehensive overview of the critical commentary on the novel from its publication to the present. Among the twenty-seven critics represented are Herman Melville, Harriet Beecher Stowe, Henry James, Nina Baym, Eric Sundquist, Richard H. Millington, Alan Trachtenberg, Amy Schrager Lang, and Christopher Castiglia. A Chronology and Selected Bibliography are also included. About the Series: No other series of classic texts equals the caliber of the Norton Critical Editions. Each volume combines the most authoritative text available...
