Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

ICONS OF LOSS AND GRACE: MOMENTS FROM THE NATURAL WORLD

Texas Tech Press,U.S. Hardback. Book Condition: new. BRAND NEW, Icons of Loss and Grace: Moments from the Natural World, Susan Hanson, Melanie Fain, 'Whether Texas State University lecturer and lay Episcopal chaplain Susan Hanson is hiking with her students or grubbing alone in the alkaline soil of her small garden, she sees glimpses of God everywhere.In careful prose that sings on the pages, Hanson eschews pat answers while inviting the reader to explore deeper spiritual truths' - "Christianity Today". 'From the marmot in Colorado to the javelina of South Texas, from the False Dayflower in her yard to the palmettos in the Ottine swamp, from the Cooper's hawk to the cormorant Hanson calmly and gracefully informs us. And she relates all of this to the humans who live with these and other things, things natural, every day, and wondrous' - "Southwestern American Literature". 'Susan Hanson offers snapshots of all the natural glory that is Texas. Her kaleidoscope of words pixel together scenes of God in nature be it in the small ramblings of a rolly polly, the flight of a butterfly or cardinal, maggots feasting on a roadkill possum or, especially, in the time-sacred act of gardening.This book offers the best of a Walt Whitman flair for poetic natural observation translated into prose.But, most importantly, this collection of 'moments in time' offers a new set of new eyes with which to perceive Texas' vast and minute beauty' - Suzanne L. Moore, "Times Record News". 'Susan Hanson finds comfort, meaning, and joy in the natural worldin the turning of the seasons, the growth of a seed, the flight of an owl.Dip into it when you need to be heartened, grounded, and centered' - Lorraine Anderson. It is through brief moments in our lives that the spiritual most often communicates itself. Fleeting...
