Tuberculosis is hereby declared to be an infectious and communicable disease, dangerous to the public health. It shall be the duty of every physician in the state of New York, to report by telephone or in person or in writing on a form to be furnished as hereinafter provided, the name and address, of every person known by said physician to have tuberculosis, to the health officer of the city, town or village in which said person resides or may be, within twenty-four hours after such fact comes to the knowledge of said physician. It shall also be the duty of the chief officer having charge-for the time being of any hospital, dispensary, asylum or other similar private or public institution to report the name, age, sex, color, occupation, place where last employed if known and the previous address of every patient having tuberculosis who comes into his care or under his observation, within twenty-four hours thereafter to the health officer of the city, town or village in which said patient resided immediately previous to admission to said institution; except that if such residence be outside of the state of New York then such report shall be made to the state commissioner of health. Any physician, nurse, employer, teacher, head of a family, landlord, or other person may report in writing the name and address of any person coming under his observation who appears to be suffering from tuberculosis to the health officer of the city, town or village in which such person is, and the...
