Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DANCE UNITS FOR MIDDLE SCHOOL (PAPERBACK)

Human Kinetics Publishers, United States, 2010. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book. Research clearly links increased participation in the arts to improved academic achievement--and in response, more middle schools are adding dance to their curriculum. But most middle school educators are not trained in dance. Realizing this dilemma, author Judi Fey crafted the solution: Dance Units for Middle School. Ideal for teachers without dance training as well as for dance educators, the book takes a student-directed approach--you provide the students clear directions, and they create their own projects. Dance Units for Middle School provides you with everything you need to facilitate dance units: -Teacher scripts to direct your students work and to increase your comfort level -Strategies for facilitating student dance and making it fun -A DVD with 77 reproducibles and video demonstrations of all skills -A music CD that saves you time in locating appropriate music to accompany lessons and student work -Three complete dance units for grades 6 through 8 (improvisation, dance for athletes, and jazz dance, respectively Each unit includes eight or nine age-appropriate lessons, rubrics, objectives, warm-ups, information on physical and cognitive development, and warm-ups. The units also supply scripted lesson plans to increase your comfort level and group performance projects that the students create. In addition, you will see how each lesson matches to the National Dance Standards. The DVD provides 77 reproducibles, including signs, assignments, and assessments that you and your students can use in assessing group projects. The DVD also contains videos of the warm-ups, all skills and combinations, and easy-to-follow progressions. Your students follow along as they watch the video clips, demonstrating the skills and combinations that they are learning on the video. With the detailed instruction, the teacher scripts, the handouts, the music,...
