Then two different angels came into the camp and as soon as our instructor saw them, he told us that the Lord has come to visit us so we all knelt down and began worshipping the Lord including all the angels present there. Then a bright crystal clear light appeared in our mist. I could not see the person s face and I can not find any English word to use to describe what I saw but I knew that the person in that light was Jesus and I could feel His love and peace. Then Jesus spoke with a gentle, lovely, caring and clear voice. Join the author Prince on an exciting and insightful journey into becoming a spokesman for God. In this journey, you will discover how God calls people to be His prophets, how He commission them, prophetic mantle, training of a prophet and many more.
