Brand New Book ***** Print on Demand *****.Excerpt from Army Appropriation Bill Our Relations With the Philippine Islands If to his own fury and passions the conqueror adds the specious plea that he is the chosen instrument of God s wrath to punish some alleged crime of another nation or people, or that it is his duty to carry civilization and religion to distant lands by the military arm, then you may expect to witness a double installment of mans malice. If you doubt this, read the history of the so-called religious wars of Europe and Asia and the story of Roman and British conquests. Recall the names of Verres and the Roman proconsuls, of Clive and Hastings, Pizarro and Cortez, and some others of our own day and generation who have plundered, scourged, and oppressed a subject population. [Applause.] II. No Dishonor In Treating With Alleged Rebels. Our Revolutionary war of 1776 was a righteous war, one of self-defense, and for the right to govern ourselves. At the outset our petitions for peace and justice were spurned from the foot of the throne....

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
