KIRKUS REVIEW Debut author Edwards describes a near-death

experience following a traffic accident, asserting the Bible

confirms what he saw on the other side.for a man who uses so

many Scripture citations to buttress his case, he s not a

stereotypical Gospel witness. For example, he writes that he s

disappointed that some Christian conservatives refute NDEs on

the grounds that non-Christians have reported them as well.

Edwards gently reasoned response is that non-Christians may

get to see heaven, but it doesn t mean they re able to stay

there.he even provides an answer for nonbelievers who say

they saw nothing but blackness during clinical death. Overall,

his arguments provide inspirational and intellectual manna for

religious and secular readers, although the faithful will likely be

more acclimated to the frequent Bible verses.Evangelical

testimony of life after death told in a calm, thoughtful and

rational voice. I enjoyed a Kindle copy. I think you did a good

job of both being objective and Scriptural....
