

LIFE Wonders of Life: A Fantastic Voyage Through Nature (The Classic Collection)

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

LIFE WONDERS OF LIFE: A FANTASTIC VOYAGE THROUGH NATURE (THE CLASSIC COLLECTION)

DOWNLOAD

Life, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Here we have an endless stream of exotica-exotic living things growing from the ground and exotic critters of all shapes and sizes, crawling, bounding and flying around. As LIFE's editors put it in their introduction: "This is a wild book. In its pages we have animals as big as trucks and plants as big as small towns. We have flowers that dance for our pleasure and flowers that shyly hide underground, flowers that can kill animals and flowers that can heal animals. We have a teeny tiny bird that is directly descended from T Rex and a truly enormous bird that can't fly but can run 45 miles an hour. We have a lizard king that could rip you apart and a lizard princeling that walks on water. This is a wild, wild book." It is indeed. It is a book that is focused on life at the far fringes-the biggest, toughest, gentlest, rarest and weirdest species. It ultimately creates an astonishing image of the world around us, a world more diverse and sometimes strange than even the most imaginative reader might have expected. Accompanying the remarkable photography, which is always LIFE's hallmark, are descriptions of each subject that will fairly boggle the mind. Did you know that a carnivorous plant's trapping mechanism often doubles as its stomach, or that an elephant seal can hold its breath for up to two hours when diving in the sea? There are as many amazing facts in these pages as there are sensational pictures. And as with earlier volumes in LIFE's Classic Collection series, Wonders of Life comes with a bonus feature: Five photographic prints from the famed LIFE archive that can be extracted, framed and hung...
