PUBLIC HEALTH: A VERY SHORT INTRODUCTION

Oxford University Press Jul 2016, 2016. Taschenbuch. Book Condition: Neu. 172x172x15 mm. Neuware - Public health is a term much used in the media, by health professionals, and by activists. At the national or the local level there are ministries or departments of public health, whilst international agencies such as the World Health Organisation promote public health policies, and regional organisations such as the European Union have public health funding and policies. But what do we mean when we speak...
