The Sky Pilot: A Tale of the Foothills (Paperback)

By Ralph Connor

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Beyond the great prairies and in the shadow of the Rockies lie the Foothills. For nine hundred miles the prairies spread themselves out in vast level reaches, and then begin to climb over softly rounded mounds that ever grow higher and sharper till, here and there, they break into jagged points and at last rest upon the great bases of the mighty mountains. These rounded hills that join the prairies to the mountains form the Foothill Country. They extend for about a hundred miles only, but no other hundred miles of the great West are so full of interest and romance. The natural features of the country combine the beauties of prairie and of mountain scenery. There are valleys so wide that the farther side melts into the horizon, and uplands so vast as to suggest the unbroken prairie. Nearer the mountains the valleys dip deep and ever deeper till they narrow into canyons through which mountain torrents pour their blue-gray waters from glaciers that lie glistening between the white peaks far away. Here are the great ranges...
